ABOUT THE ILLUSTRATOR

Melinnie Angela was born and raised in Jakarta, Indonesia. Her passion has always been in drawing, visual arts, and traveling. Her love for children's illustration and art for animated films grew during the time she spent in California. She pursued and earned her BFA in Illustration at Academy of Art University in San Francisco. She loves to put humor in her works, because she feels content when she can make other people laugh.

Our mission is to accelerate creativity and elevate imagination through the use of richly illustrated textless books that inspire original stories. We strive to increase courage and self-confidence in WRiTE BRAiN authors all over the world.
