ABOUT THE ILLUSTRATOR

Alice Brereton grew up in Minneapolis, MN and is absurdly proud of that fact. Her artwork is colorful, textured, and shape-oriented and always strives to be quirky or “smile-inducing.” Alice has won a slough of awards from her school, the Academy of Art University, and from Adobe, and she keeps them in a nice humble pile next to her collection of dinosaur and donkey figurines. Her favorite food is “pickled anything,” and if she were not an illustrator, Alice would be at the bottom of a sea in a submarine discovering new kinds of sea life and naming them ridiculous names... one day the “Tooty-McFlipperry-Banana Butt” will be found!

Our mission is to accelerate creativity and elevate imagination through the use of richly illustrated textless books that inspire original stories. We strive to increase courage and self-confidence in WRiTE BRAiN authors all over the world.
