ABOUT THE ILLUSTRATOR

At an early age, Adrien Cadoux was bitten by a radioactive puffin. This granted him all the powers and abilities of the puffin, which proved to be useless, as he was being raised by radioactive badgers at the time. When he finally decided to join humanity, Adrien wanted to become an artist, but this proved difficult, and he chose instead to become a super villain. After many futile attempts at world domination, he returned to Berkeley, California to become an artist yet again.
