ABOUT THE AUTHOR

ABOUT THE ILLUSTRATOR

London-born artist Stephen Silver got his professional start drawing caricatures at amusement parks. He has worked as character designer and supervisor for Disney Television Animation, Sony Feature Animation, and Nickelodeon Animation, designing characters for shows including Kim Possible, Danny Phantom, and Kevin Smith’s Clerks: The Animated Series. Silver names three keys to success in life that give him what it takes to keep drawing: passion, desire, and determination.

Our mission is to accelerate creativity and elevate imagination through the use of richly illustrated textless books that inspire original stories. We strive to increase courage and self-confidence in WRiTE BRAiN authors all over the world.
