THIS STORY IS DEDICATED TO

BECAUSE

The boy named Brian has a turtle friend named Tutu. Brian is telling Tutu how he has the necklace and when he was a baby. First Brian said he got that necklace since he was born and that he promised his parents to take care of the necklace. Tutu, the turtle, wanted a family that would give him his necklace and that cared for him.

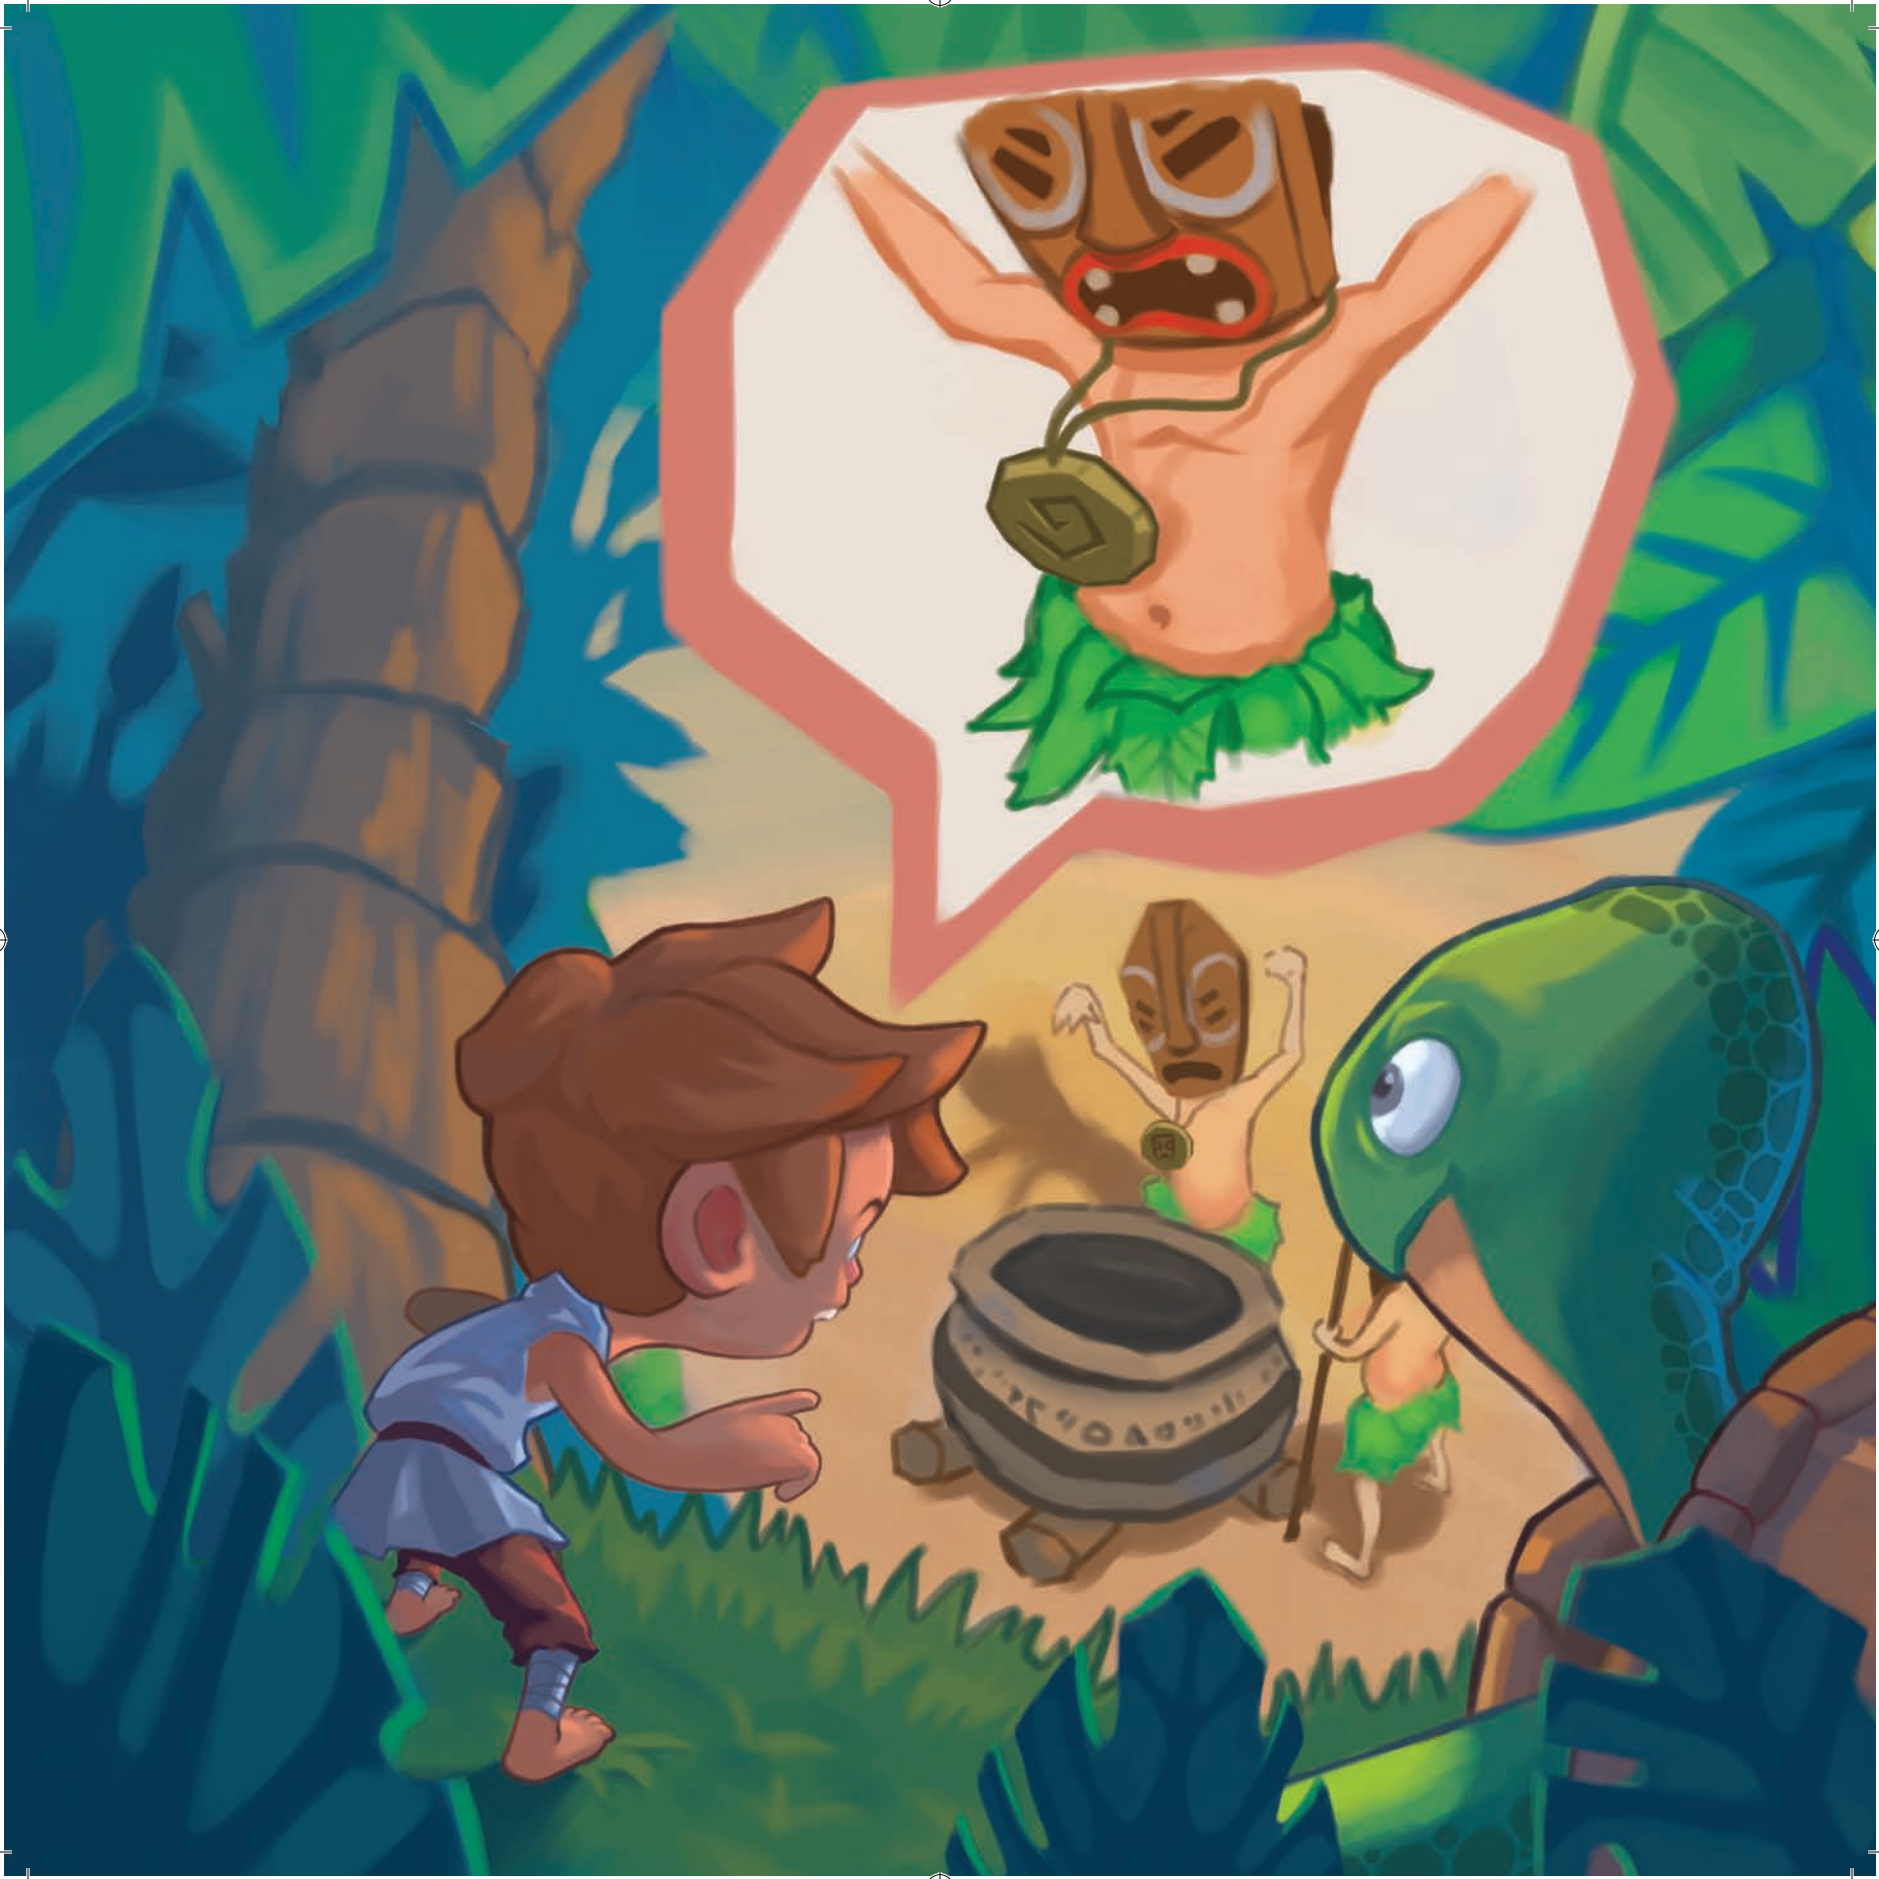

Brian and tutu are swimming away from the bridge named Boo. Brian and Tutu are having a good time swimming away from Boo. They are having the best day of their life!

Brian and Tutu had gone to a tunnel and found Native American tribe. They are summoning another person to be in the tribe. They are scared so they are going to run from the Native American tribe.

The Native American tribe are now chasing Tutu and Brian! They are trying to get them so Brian and tutu can become one of them in the tribe. They are scared for their dear life!

Brian and Tutu found a chain like in Moana. It's the same chain that Brian has and Tutu is going to get it so they can be matching. However, in the corner you see a big scary monster that's looking at them.

Brian and tutu are now running away from the big furry monster! They did not get the chance to get the chain. What they need to be worried about is that a big ugly furry monster is chasing them.

Brian and Tutu have found a pirate crew person. This person has the same gold shiny chain. They think that's the same chain from last time so they are going to get the chain.

Brian and Tutu are getting chased by a pirate that has the same chain. The pirate is trying to snatch the chain that Brian has on his neck

Brian had an idea! Brian would turn into a human turtle so they can be twins. He wanted to do this because they are besties. To make this happen they would use coconuts for the shells in the back.

A digital illustration of a sunset over a body of water. The sun is a bright yellow circle on the horizon, casting a shimmering reflection on the dark blue water. The sky is a gradient of orange, red, and purple. In the foreground, there are dark, jagged silhouettes of mountains or hills. A large, white, crumpled scroll is positioned in the upper half of the image, with the text centered on it.

Brian and Tutu are hugging at the pretty sunset because they are best friends. They have had a very long day. They will forever be best friends.
