

With the WRiTE BRAiN ANiMATiON WRiTERS PROGRAM, students will learn to write scripts for animated videos using WRiTE BRAiN's wordless animated LiTViDS to inspire their original stories and characters. Then they will bring their stories and characters to life by recording the voices and narration for their animated videos!

- Creative Writing
- Collaboration
- Visual Arts
- Social Emotional Skills-Building
- Project-Based Learning
- Social-Emotional Learning
- Technology with Purpose
- Performance Arts
- S.T.E.A.M. Integration
- Critical Thinking
- Literacy-Building
- 21st Century Skills-Building
- Cross-disciplinary Engagement

Students will download all of their animated LitVids to keep and share forever!
